## Picturesque Michelle Coulson

*“Put it before them briefly so they will read it,  
clearly so they will appreciate it, picturesquely  
so they will remember it, and above all,  
accurately so they will be guided by its light.”*

— Joseph Pulitzer

Michelle Coulson creates beautiful abstract  
drawings and paintings based on Australian  
landscapes, seascapes and urban scenes. She also  
takes reference from artworks by Van Gogh and  
Matisse and, occasionally, hones in on a singular  
portrait, animal or building.

With a skilful light touch, Coulson creates intricate  
patchworks of colour and line, resulting in small-  
scale renderings that are both picturesque and  
intimate. Sections of text have started to work their  
way into a number of her compositions, adding new  
dimensions to her signature style.

Coulson (b 1967, Melbourne) is an emerging artist  
and has worked at Arts Project Australia since 2016  
and *Picturesque* is her first solo exhibition  
presented as a virtual installation in 2020.

She has exhibited in various group exhibitions at  
Arts Project Australia including *Silver Linings*,  
*Pleased to Meet You, Whatever You Love, You Are*  
and *Annual Gala*. She has work in private  
collections throughout Australia.
